#### **CHECKING FOR WORK:**

To check for work, call the message line at **(415) 468-7289**. It is your responsibility to check the message line. The more often you check it, the better your chances of getting work. The "EXTRA" message is usually updated around 4:00 p.m. **when there is work.** Emergency dispatches occur most often between 8:30 and 9:30 in the morning, but could happen at any time. **CHECK THE WEB PAGE ALSO FOR UPDATES:** [www.local510.org](http://www.local510.org). The web page includes a long-term calendar that gives you a picture of possible upcoming work.

**GETTING A DISPATCH:** Extras are dispatched after Journeyperson lists have been exhausted. **Always check the message line first and follow directions.** When the message tells you it is *your turn* to call in directly, call **(415) 468-7283 to be dispatched.** When you get through on the dispatch line you will probably first be put on hold in the order that your call was received. Stay on the line and have a pencil and paper ready to take down information.

**Please do not call the dispatch line directly until you are told to do so.**

Pencil  
Crescent Wrench

**UNION RULES AND REQUIREMENTS:** As an “Extra” worker, you are working under a contract with set rules and regulations. An employer may not hire an “Extra” worker directly. Soliciting work by walking on to a jobsite or by approaching other employers when laid off is strictly forbidden. **ONLY THE UNION MAY DISPATCH YOU TO A JOB.**

An employer may not move you from one jobsite to another without the Union’s approval.

**VIOLATION OF ANY RULES MAY RESULT IN REMOVAL FROM THE JOB.**

**RESPONSIBILITIES: Important:** when you accept a dispatch you are committing yourself to show up on a job. **Should you not be able to meet this commitment, you must notify the Employer or the Union** of your inability to appear on a job site at least 2 hours before your start time. Failure to do so may result in your removal from the ‘E’ list and ineligibility for future dispatches. If you do not have the Employer’s contact number, call the Union at 415-468-7280, ext. 12.

**When working with Tradeshow exhibitors, always remember that we are offering a service.** Exhibitors are usually visitors to our beautiful Bay Area. We want them to return and to enjoy their visit. Be neat and clean - wear long pants and a shirt - wear shoes, no thongs or sandals. Take directions and do not argue with forepersons or other installers.

**Local 510 is not your employer. Your employer is the company you work for on each job.** Please do not list us as your employer for unemployment insurance, state disability claims, credit applications and job references. **As an “Extra” worker you are not a member of Local 510.**

Please be aware that there is no progression as an Extra worker, and you are a temporary worker.
